

PTLA119 LED Path Light

LED Path Light - Durable

Available in cast aluminum, Mushrooms are perfect path lights for illuminating walkways and other pedestrian areas. LED and T-3 halogen sources provide even illumination in a compact, durable, beautiful luminaire.

UL Listed for both outdoor and indoor use, cUL outdoor only. Cool external temperatures - all below 43°C! - so the luminaire is cool to the touch, including the lens. Perfect for high pedestrian traffic and plant life applications. Exceeds European Standard EN 563 for both 1 second (74°C for coated metal, 80°C for glass) and 4 seconds (61°C for coated metal, 70°C for glass) of contact.

IP66 Rating

Specifications

Housing:

Die cast aluminum (copper free) roof and lamp holder.
